Discovering the Med!

Le Var’s highly-visited underwater relief harbours a multitude of underwater cliffs, shelves, caverns and wrecks, situated at a variety of depths. The local diving clubs operate from April to November, offering visitors a chance to enjoy some of the world’s most remarkable diving experiences. This map shows around a hundred of Le Var's impressive 300 diving sites. You can find details on our professional diving centres at www.visitar.fr. All offer a warm welcome and totally safe lessons for all levels, with activities including:

- Snorkelling trips.
- Maken dives.
- Diving courses for all levels.
- Exploratory dives.
- Technical dives.
